

14th April 2023

Year 7 End of Year Assessments

Dear Mums, Dads and Carers,

Please find below some information about Term 3 assessments for Year 7.

Between the 10th May and the 12th June, Year 7 will be having formal end of year assessments as well as GL assessments for English and Maths. Please find below a list of topics for students to revise for each subject as well as a timetable of assessments.

Internal assessments:

Internal assessments will take place during period one and will be supervised by the form tutor. It is essential that students arrive on time to their tutor class at 07:15. Students should have the following equipment with them: two pens, two pencils, a sharpener, an eraser, a ruler, a protractor, a pair of compasses and a calculator. Please note, we will not be able to provide equipment for students.

There will be no assessment for Moral Education and Social Studies; instead, they will be assessed through an assignment combining both subjects.

GL Progress Tests:

GL Progress tests are used to measure student's knowledge, understanding and application of the core subjects: English, Maths and Science. They give teachers, students and parents a detailed report into the specific strengths and areas for development for these subjects, and as they are taken every year. They can be used to check how much progress a student has made over the last academic year. More information will be shared about preparing for GL assessments over the next week.

On the day when students have GL assessments, they will have two periods of revision and preparation with their English, Maths or Science teacher before sitting the assessment.

The progress test does not work properly on touch screen devices and, therefore, must be sat on a laptop or desktop PC. We have a limited number of laptops available so, if your child has their own laptop, please can you ensure that it is fully charged the night before and they bring it to school on the exam day. We will, of course, provide laptops for any pupil that does not have one.

It is essential that students bring headphones for progress tests.

Yours sincerely,

Richard Smith
Assistant Principal

English

Assessment details	Topics to revise
Duration: 40mins Marks: 25 marks	<p>Reading You should revise the following Key Skills:</p> <ul style="list-style-type: none"> • Retrieval • Author's Purpose • Simple and Complex Inferencing • Unseen Text (Comprehension) <p>Writing You should revise the following key skills:</p> <ul style="list-style-type: none"> • Short Story Writing (Fictional) • Summary Writing • SPAG (Punctuations, Types of sentences, Tenses, Subject Verb agreement, Active and Passive voice, Editing.)
